

**Goal Contract**

Name: \_\_\_\_\_ (your typed name serves as electronic signature)

Goal: \_\_\_\_\_ (the rating you wish to contract)

Date: \_\_\_\_\_ (today's date)

Choose one option below. Your response represents the chosen rating or grade you will receive at the end of the term if you meet the prescribed level of conscientious effort and participation that demonstrates your achievement of the learning outcomes for the course. Submit this form as indicated by the deadline in webcourses. Keep in mind that the D/F rating is reserved for performances that consistently do not reach the other ratings because of missing assignments or for any other reason(s). You will not earn GEP or Gordon Rule credit for the course as applicable in the course description and attribute for the D or F rating.

C) My goal is to earn a C in this course. I understand that in order to meet this goal I must achieve 80% on each exam and quiz. I understand that I may take the quizzes and exams as many times as necessary during the window of availability as indicated in webcourses to achieve an 80%. I understand that the exams have specific dates of availability and that I must take the exams during this window of availability. I understand that the quizzes are released with each unit and that the window of availability extends from that date until the last day of classes. I must complete the Art Museum Site Assignment and the Cultural Event Site Assignment by the last day of classes. I understand that these assignments are available for my completion from the release date until the last day of classes. I understand that if I fail to meet the aforementioned level of conscientious effort and participation that demonstrates my learning that my final grade may be lower than a C rating. I understand that I cannot change my Goal Contract after the deadline for submission as listed in webcourses.

B) My goal is to earn a B in this course. I understand that in order to meet this goal I must achieve 80% on each exam and quiz. I understand that I may take the quizzes and exams as many times as necessary during the window of availability as indicated in webcourses to achieve an 80%. I understand that the exams have specific dates of availability and that I must take the exams during this window of availability. I understand that the quizzes are released with each unit and that the window of availability extends from that date until the last day of classes. I must complete the Discussion Board 1, Art Museum Site Assignment, Discussion Board 2, and the Cultural Event Site Assignment on time (by the deadlines indicated in webcourses). I understand that if I fail to meet the aforementioned level of conscientious effort and participation that demonstrate my learning that my final rating may be lower than a B. I understand that I cannot change my Goal Contract after the deadline for submission as listed in webcourses.

A) My goal is to earn an A rating in this course. I understand that in order to meet this goal I must achieve 80% on each exam and quiz. I understand that I may take the quizzes and exams as many times as necessary during the window of availability as indicated in webcourses to achieve an 80%. I understand that the exams have specific dates of availability and that I must take the exams during this window of availability. I understand that the quizzes are released with each unit and that the window of availability extends from that date until the last day of classes. And I must complete the Discussion Board 1, Art Museum Site Assignment, Discussion Board 2, the Cultural Event Site Assignment and the Statement of Excellence one time (the deadlines indicated in webcourses). I understand that if I fail to meet the aforementioned level of conscientious effort and participation that demonstrates my learning that my final grade may be lower than an A rating. In addition, I understand that my professor determines if my Statement of Excellence demonstrates an exemplary performance and a high level of mastery and thus warrants an A rating. I understand that I cannot change my Goal Contract after the deadline for submission as listed in webcourses.

\*You will be grouped for the discussion boards based up on your response here. Please note that if you chose C as your goal, you are not required to complete the discussion boards or the statement of excellence, but you may choose to complete them if you wish. The DBs and the SoE assignments will help you complete the written assignments and provide a deeper understanding of the course content and objectives. Completing assignments not requested in your goal contract does not change your goal contract.
